Server Tools Scripting Help

SQL Assignment1

Limit to 1000 rows

```
22  alter table employees
23  add column email varchar(30);
24  alter table employees
25  modify column designation varchar(130);
26  alter table employees
27  drop column age;
28  alter table employees
29  rename column hire_date to date_of_joining;
30  rename table departments to departments_info;
31  rename table location to locations;
32  truncate table employees;
33  drop table employees;
34  drop database employee;
35  create database employee;
36  use employee;
37  create table departments(
38      department_id int primary key,
39      department_name varchar(100) not null unique
40      );
41  create table location(
42      location_id int auto_increment primary key,
```

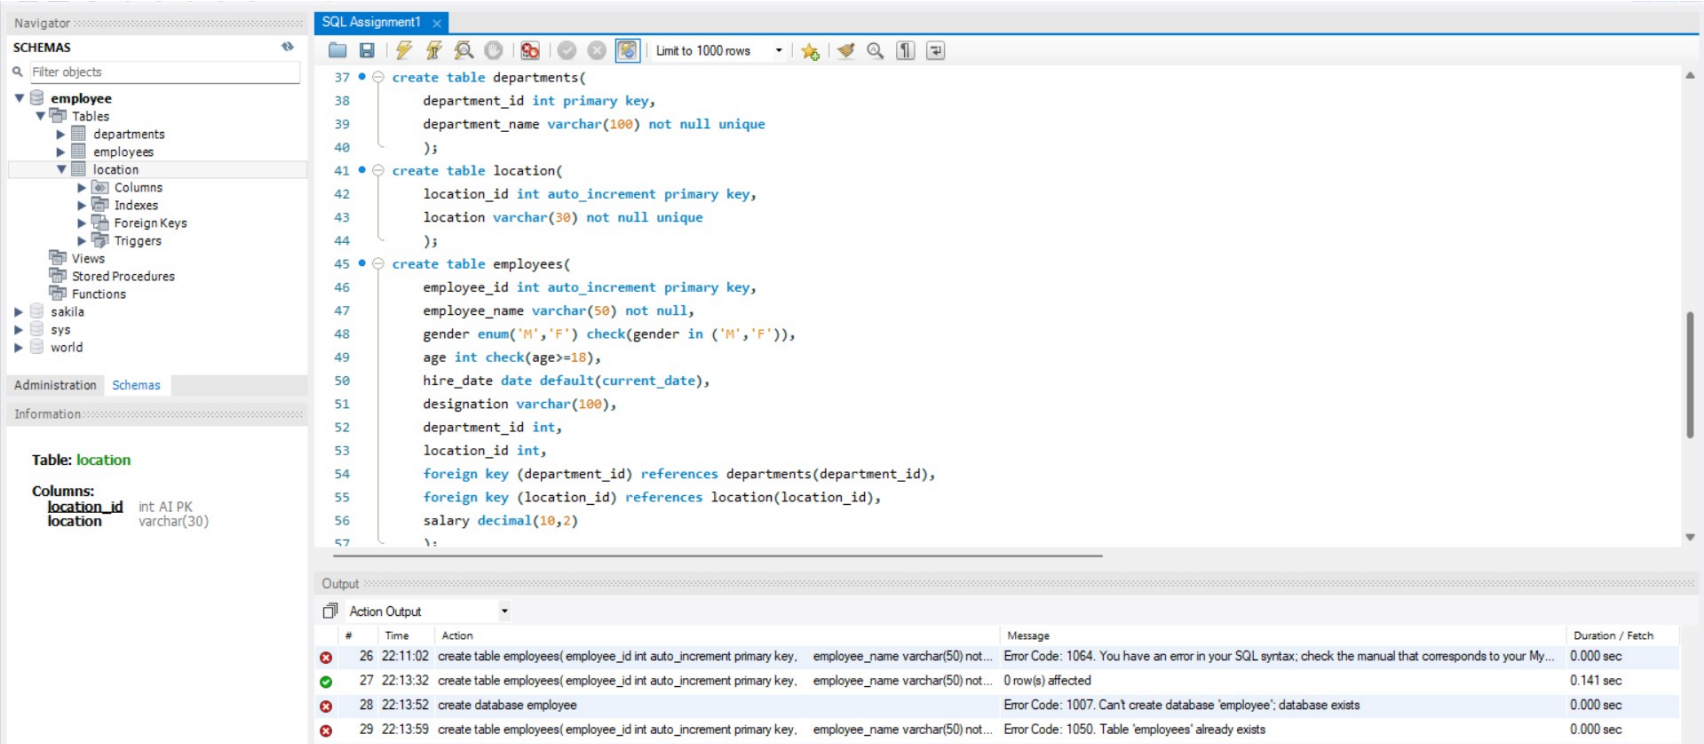

Output

Action Output
